REASONS FOR ALLOWANCE

Claims 1-39 are allowed.

This communication warrants no examiner's reason for allowance, as applicant's reply makes evident the reason for allowance, satisfying the record as whole as required by rule 37 CFR 1.104 (e). In this case, the substance of applicant's remarks in the Amendment filed on 05 July 2007 with respect to the amended claim limitations and further amended claim limitations in the Examiner's Amendment filed on 17 September 2007 point out the reason claims are patentable over the prior art of record. Thus, the reason for allowance is in all probability evident from the record and no statement for examiner's reason for allowance is necessary (see MPEP 13202.14). Furthermore, it should be noted that although the references cited in the IDS filed 11/09/07 were relevant, they did not teach or disclose, singly or in combination the allowed subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
